

A Child's Grace

A child's grace, a treasure so
rare,
A gift we cherished, beyond
compare,
Their laughter, their love, the joy
they'd create,
A beacon of hope, through life's
stormy straits.
We're grateful for the moments
we had,
The memories we shared, both
happy and sad,
In the depths of our hearts, their
love remains,
A constant reminder of life's
sweet refrains.
We'll hold them close, in the
gentlest embrace,
Forever thankful for their love
and grace,
A child's touch, a love so pure,
A gift we'll cherish, forevermore.
