

A Chuckle Shared

A chuckle shared, a knowing
grin,
A bond of humor, forever kin,
Your presence, a balm in
troubled days,
My dear friend, I appreciate in
countless ways.
Through laughter and tears, we
stood as one,
A shoulder to lean on, never
undone,
Your humor, a treasure, a gift to
share,
I appreciate the joy you brought,
so rare.
Though you're gone, your
memory stays,
A light that guides through
darkest days,
My dear friend, I'll hold so close,
A grateful heart, a love that
grows.
