

A Cousin's Capers

Oh, the antics and the laughter,
Our cousin capers, ever after,
From pillow forts to backyard
games,
Together we conquered, through
sun and rain.

A cousin's bond, a playful dance,
A life of laughter, by chance or
stance,

Your humor, a gift, a joy to share,
A funny tale, a knowing glare.

We'll miss the laughter, the
smiles you brought,

But cherish the memories, the
joy you wrought,

My cousin, in our hearts you'll
stay,

A light that never fades away.
