

## **A Distant Whisper**

In the quiet hills, a longing sigh,  
For one we've lost, to time's swift  
tide,  
A love now missed, as days grow  
long,  
A distant whisper, a haunting  
song.  
I miss their laughter, their warm  
embrace,  
The memories shared, in this  
sacred place,  
Yet in my heart, their love  
remains,  
A distant whisper, through joy  
and pain.  
In whispered prayers, I'll find my  
peace,  
A love unbroken, a bond that's  
ceaseless,  
My dear one, forever near,  
A distant whisper, undying, clear.
