

## **A Farewell to a Beloved Soul**

In this moment of grief and loss,  
We gather to bid farewell at any  
cost,

To a life that touched so many  
hearts,

And left behind countless  
memories and parts.

Like a butterfly that flutters by,  
Your spirit soared up high,  
Leaving us to mourn and weep,  
In memories that we'll forever  
keep.

But though you're gone, your  
legacy stays,

Like a ray of sunshine on the  
darkest days,

A reminder of the love you  
shared,

And the impact that you made  
and dared.

Like Pooh once said, "How lucky  
I am to have something that  
makes saying goodbye so hard,"  
And in your absence, we'll find a  
way to keep your memory in our  
hearts.

So we say goodbye, dear one,  
And though our hearts may be  
undone,

We'll find comfort in the  
memories we share,  
And the love that we'll always  
bear.

For like a butterfly that flies  
away,

Your spirit lives on every day,  
And we'll always be connected  
by love,

Together, in the heavens above.
