

A Gift of Light

In the garden of our lives,
A seed of love was sown,
Our precious granddaughter
bloomed,
A treasure all our own.
Her radiant smile, a warming
sun,
Her laughter, sweet as rain,
A presence we'll forever hold,
Our hearts her home remain.
Though skies have darkened,
stars may fade,
In memory, she will shine,
Our dear granddaughter, love
and light,
A gift that's truly divine.
