

## **A Glimmer of Laughter**

In moments dark, a glimmer  
shines,  
A memory of laughter, a love that  
binds,  
Their humor, a treasure, a gift  
they'd share,  
In moments tough, they'd show  
their care.  
We'll miss the laughter, their  
jokes, their fun,  
But cherish the moments, one by  
one,  
For in our hearts, they'll always  
stay,  
A glimmer of laughter, in  
memory's play.  
Our dear one, forever near,  
A love eternal, undying, clear,  
In laughter's glimmer, we find our  
peace,  
A love unbroken, a bond that's  
ceaseless.
