

## **A Grateful Heart**

A cousin's love, a cherished gift,  
A bond so strong, a loving lift,  
Through highs and lows, we  
stood as one,  
A shoulder to lean on, never  
undone.  
I appreciate the moments  
shared,  
The laughter, joy, and tender  
care,  
Your presence, a balm in  
troubled times,  
My cousin, a treasure, forever  
mine.  
Though you're gone, your  
memory stays,  
A light that guides through  
darkest days,  
My dear cousin, I'll hold so close,  
A grateful heart, a love that  
grows.
