

A Journey of Grace

A life well-lived, a journey
blessed,
Our granddaughter, a gem so
rare,
Her laughter, love, and joy
expressed,
A spirit free, beyond compare.
We gather now to celebrate,
The memories we've come to
share,
Through stories, tears, and warm
embrace,
Her life's journey, filled with flair.
For she has touched our hearts
and souls,
A beauty, both inside and out,
Our granddaughter, forevermore,
Her life's journey, a dance of
grace.
