

A Joyful Remembrance

Let us gather, hearts entwined,
To celebrate a life, that once did
shine,
Our dear friend, a soul so bright,
A testament to laughter, and life's
delight.
We'll share our memories, laugh
and cry,
Recount the moments, days
gone by,
Their spirit lingers, a gentle
breeze,
A life of laughter, forever at ease.
With joy and sorrow, we'll raise
our voice,
In honor of the life, that was their
choice,
Our dear friend, a love so true,
A joyful remembrance, in skies
so blue.
