

A Life Remembered

Let us gather in the sunlight, and
celebrate,
The life of the parent, whose love
was great,
Through the pain and the sorrow,
their love we'll see,
A testament of strength, a love
that'll forever be.
We'll share the stories, the
laughter and tears,
The memories we made,
throughout the years,
A life well-lived, a love so strong,
In our hearts, dear parent, you'll
always belong.
In the dawn's embrace, and the
twilight's caress,
We'll celebrate your life, your
fearlessness,
A life remembered, a love that's
true,
Forever, dear parent, we'll
remember you.
