

A Light in the Darkness

In the darkest corners of my
heart,
A light once shone, a brilliant
spark,
My daughter or daughter-in-law,
kind and wise,
A beacon of love, in my stormy
skies.
Her gentle touch, her tender
care,
Her loving soul, beyond
compare,
A guiding force, an endless
grace,
I appreciate the love we shared
in this space.
Her memory lingers, a soft
embrace,
A testament to love's eternal
grace,
My daughter or daughter-in-law,
forever near,
The light in the darkness, I hold
so dear.
