

A Poet's Life, a Heaney Feast

Let us gather, hearts as one,
To celebrate a life, a love begun,
Seamus Heaney's journey,
through time and space,
A poet's life, a Heaney feast.
We'll share the words, the love,
the truth,
The memories of a life, in youth,
Your spirit lingers, a gentle
breeze,
A poet's farewell, forever at ease.
With joy and sorrow, we'll raise
our voice,
In honor of the life, that was your
choice,
Seamus Heaney's love, a
testament true,
A celebration of life, in skies so
blue.
