

A Soldier's Sacrifice

With gratitude, we stand today,
To honor the soldier, who's
marched away,
Their courage and valor, their
love so deep,
A debt we owe, in our hearts to
keep.
For every battle won, every
challenge faced,
Their sacrifice we appreciate,
with hearts embraced,
In the silence of the dawn, the
twilight's glow,
We'll remember their service, a
love that grows.
A soldier's sacrifice, a gift we'll
treasure,
A love so profound, it knows no
measure,
Thank you, dear soldier, for all
that you've done,
Your legacy lives on, in the
hearts you've won.
