

A Symphony of Wings

In the dance of the butterflies, we
see,
A celebration of life, of love, and
glee,
With every flutter, every hue,
A tribute to the life we once
knew.
A symphony of wings, a chorus
of praise,
For the life well-lived, the love
ablaze,
In joy and sorrow, laughter and
tears,
A celebration of life, transcending
the years.
So, let us gather, hand in hand,
In memory of the one who'll
forever stand,
In the heart of the garden, in the
sun's warm embrace,
A butterfly's journey, a life we'll
always retrace.
