

A Warrior's Journey

Let us gather in the sunlight, and
celebrate,
The life of the soldier, whose
courage was great,
Through trials and triumphs, their
love never waned,
A warrior's journey, forever
ingrained.
We'll share the stories, the
laughter and tears,
The memories we made,
throughout the years,
A life well-lived, a love so strong,
In our hearts, dear soldier, you'll
always belong.
In the dawn's embrace, and the
twilight's caress,
We'll celebrate your life, your
fearlessness,
A warrior's journey, a love that's
true,
Forever, dear soldier, we'll
remember you.
