

A Wry Smile

Oh, the laughter and the tears,
A love that challenged, through
the years,
From sarcastic quips to wry
remarks,
A funny memory, a love that
sparks.
Their humor, a treasure, a gift
they'd share,
In moments tough, they'd show
their care,
We'll miss the laughter, their
jokes, their fun,
But cherish the moments, one by
one.
For in our hearts, they'll always
stay,
A wry smile shared, in memory's
play,
Our dear one, forever near,
A love eternal, undying, clear.
