

An Eternal Flame

Your ashes we inter, a solemn
goodbye,
But we'll remember your
greatness, reaching the sky,
A heart so wide, a spirit so
strong,
In our memories, you'll always
belong.
You walked through life, with
purpose and grace,
Each challenge faced, with
unwavering faith,
Your laughter, your wisdom, your
undying love,
A beacon of hope, from the
heavens above.
As your ashes become one with
the earth,
We cherish your legacy, your life
of worth,
An eternal flame, your memory
burns,
A guiding light, through life's
twists and turns.
