

Ashes to Earth, Memories Remain

Ashes to earth, we lay you to
rest,
A final farewell, this solemn
quest,
In the gentle embrace of the soil
you blend,
But our love for you will never
end.
We'll miss your laughter, your
tender touch,
The moments we shared, the
love so much,
In the whispers of the wind, your
voice we'll hear,
And in our hearts, we'll keep you
near.
For though your ashes merge
with the land,
Your spirit lives on, forever to
stand,
A beacon of light, a guiding star,
Though you're gone, you're
never too far.
