

Eternal Promise

Though we never met, your love
we knew,
A child so dear, a promise that
grew,
In the depths of our hearts, an
unspoken love,
A soul so pure, a gift from above.
We'll never forget, the love we
share,
For the child that was, a love so
rare,
An eternal promise, a bond so
deep,
In our hearts, your memory we'll
keep.
A child that could have been, a
love so divine,
A great person they were, in our
hearts enshrined,
An unspoken love, a dream that's
true,
Forever, dear child, we'll
remember you.
