

## **Fading Memories**

In the twilight of your fading  
mind,  
I searched for you, for love to  
bind,  
The echoes of laughter, now  
distant dreams,  
Lost in the haze, as silence  
screams.  
I miss your touch, your voice so  
dear,  
The moments we shared, when  
you were near,  
Yet deep within, your love  
remains,  
Fading memories, through joy  
and pain.  
In whispered prayers, I'll find my  
peace,  
A love unbroken, a bond that's  
ceaseless,  
My dear one, forever near,  
Fading memories, undying, clear.
