

Forever in Our Hearts, Granddad

Granddad, dear granddad, now
you're gone,
Our hearts feel heavy, our souls
forlorn.

We'll always cherish the
memories we shared,
The love you gave and the
wisdom you bared.

Though you're no longer with us,
you'll always be near,
In our hearts, our minds, and our
thoughts sincere.

We miss you so much, dear
granddad,
Rest in peace, in eternal glad.
