

Granddad's Laughter and Love

Granddad, you always made us
smile,
With your jokes and your stories,
so versatile.
You were the life of the party, the
one we all loved,
With your infectious laughter and
the hugs you'd give.
We remember the pranks you
used to play,
And the way you made us laugh,
day after day.
We'll miss your humor and your
witty ways,
Granddad, you truly brightened
our days.
