

Grateful Heart

In the tapestry of life we weave,
A precious thread, a love
conceived,
My son or son-in-law, kind and
true,
A gift, for which I'm grateful,
through and through.
His tender heart, his strength of
will,
His steadfast love, a role fulfilled,
A beacon of hope, in troubled
seas,
I appreciate the love he shared
with me.
Though he's gone, his spirit
stays,
A guiding light, through darkest
days,
My son or son-in-law, I'll hold so
close,
A love eternal, the one I chose.
