

Grateful Hearts, for Strength Unbound

In every step, a strength unbound,
A love eternal, forever found,
We appreciate you, strong woman, fair,
For every trial, your heart did bear.
Your courage and grace, a love so pure,
A foundation strong, our lives secure,
We're grateful for the lessons, the wisdom shared,
A strong woman's love, forever declared.
In the depths of our hearts, a love unbroken,
A token of appreciation, words unspoken,
For all you've done, and all you've been,
We cherish you now, and forever, amen.
