

## Harvest of a Poet's Soul

In the harvest of your words, a  
love abides,  
A depth of feeling, from your  
heart it hides,  
I appreciate your wisdom, your  
gentle gaze,  
The world anew, through a poet's  
praise.  
You captured moments,  
immortalized in ink,  
A painter of emotion, with words  
that sink,  
I'm grateful for the insights, the  
truths you share,  
Seamus Heaney's legacy, a love  
so rare.  
Forever etched within my heart,  
Your words, your wisdom, never  
to part,  
I'll carry you with me, in every  
stride,  
A poet's love, a grateful tide.
