

## **Life Remembered as suppose to**

Let us gather, hearts entwined,  
To celebrate a life, so divine,  
Our son or son-in-law, a soul so  
bright,  
A testament to love, and life's  
sweet light.  
We'll share our memories, laugh  
and cry,  
Recount the moments, days  
gone by,  
His spirit lingers, a gentle breeze,  
A life remembered, forever at  
ease.  
With joy and sorrow, we'll raise  
our voice,  
In honor of the life, that was his  
choice,  
Our son or son-in-law, a love so  
true,  
A life remembered, in skies so  
blue.
