

## **Oh, Dear Granddaughter**

Oh, dear granddaughter, how we  
laughed,  
Our giggles, endless as the sky,  
Your mischief and your clever  
wit,  
A twinkle in your bright blue  
eyes.  
You filled our days with pure  
delight,  
Your antics, oh, we can't forget,  
From silly faces, tickle fights,  
To dancing in the kitchenette.  
We'll miss you dearly, that's for  
sure,  
But smile remembering the fun,  
For in our hearts, forevermore,  
Your laughter lives, dear little  
one.
