

Precious Moments

In the stillness of time, the love
we shared,
A fleeting moment, for which we
cared,
A child so dear, gone too soon,
We'll cherish the love, like the
sun and the moon.
For every heartbeat, every tear,
We'll be grateful for the time, so
brief, so dear,
Their presence, a gift, we'll hold
so tight,
In our hearts, their love, forever
alight.
We appreciate the joy, the hope
they brought,
A testament of love, in every
thought,
Precious moments, forever to
keep,
In our hearts, dear child, your
love will sleep.
