

## **The Garden's Song**

Let us gather, hearts entwined,  
To celebrate a life, a love divine,  
Our dear one, a soul so bright,  
A testament to love, and life's  
sweet flight.

We'll share our memories, laugh  
and cry,

Recount the moments, days  
gone by,

Your spirit lingers, a gentle  
breeze,

The garden's song, forever at  
ease.

With joy and sorrow, we'll raise  
our voice,

In honor of the life, that was your  
choice,

Our dear one, a love so true,

A celebration of life, in skies so  
blue.
