

## **The Guiding Light of Granddad**

Granddad, you were our shining  
star,  
Guiding us through life, both near  
and far.  
Your kindness, your love, and  
your gentle ways,  
Forever will be remembered in all  
our days.  
We appreciate all the things you  
did,  
And how you made us laugh,  
even when we were sad.  
We're grateful for the time we  
spent together,  
And for the memories that will  
last forever.
