

The Noble Heart of Heaney's Verse

A noble heart, a spirit kind,
Seamus Heaney's love,
enshrined,
A great person, through words
and deeds,
A poet's touch, on life's sweet
breeze.
A steadfast guide, a beacon
bright,
A force for good, in darkest night,
Your greatness shines, through
every word,
A love eternal, forever heard.
In life and death, your memory
stays,
A great person, through joy and
pain,
Your legacy lingers, a love so
true,
Seamus Heaney's heart, in
memory's hue.
