

Songbird

For you, there'll be no cryin'
For you, the sun will be shinin'
'Cause I feel that when I'm with you
It's alright, I know it's right
And the songbirds are singin'
Like they know the score
And I love you, I love you, I love you
Like never before
To you, I would give the world
To you, I'd never be cold
'Cause I feel that when I'm with you
It's alright, I know it's right
And the songbirds are singin'
Like they know the score
And I love you, I love you, I love you
Like never before
And I wish you all the love in the world
But most of all, I wish it from myself
And the songbirds keep singin'
Like they know the score
And I love you, I love you, I love you
Like never before
Like never before
