

You've Got a Friend

Rosycompany.co.uk

When you're down and troubled
And you need some love and care
And nothing, nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night

You just call out my name
And you know wherever I am
I'll come running, oh yeah baby, to see you
again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yeah, yeah, yeah
You've got a friend

If the sky above you
Should turn dark and full of clouds
And that old north wind should begin to blow
Keep your head together
And call my name out loud
Soon you'll hear me knocking at your door

You just call out my name
And you know wherever I am
I'll come running, oh yes I will, to see you
again
Winter, spring, summer or fall, yeah
All you have to do is call
And I'll be there, yeah, yeah, yeah
Hey, ain't it good to know that you've got a
friend?
People can be so cold
They'll hurt you and desert you
Well, they'll take your soul if you let them
Oh yeah, but don't you let them

You just call out my name
And you know wherever I am
I'll come running to see you again
Oh babe, don't you know that
Winter, spring, summer or fall
Hey now, all you've got to do is call
Lord, I'll be there, yes, I will
You've got a friend
You've got a friend
Ain't it good to know you've got a friend?
Ain't it good to know you've got a friend?
Oh, yeah, yeah, you've got a friend
