

## I Will Survive

(Verse 1)

At first, I was afraid, I was petrified  
Kept thinking I could never live without you by  
my side  
But then I spent so many nights thinking how  
you did me wrong  
And I grew strong, and I learned how to get  
along

(Chorus)

And so you're back from outer space  
I just walked in to find you here with that sad  
look upon your face  
I should have changed that stupid lock, I  
should have made you leave your key  
If I'd known for just one second you'd be back  
to bother me

(Verse 2)

Go on now, go, walk out the door  
Just turn around now 'cause you're not  
welcome anymore  
Weren't you the one who tried to hurt me with  
goodbye?  
Did you think I'd crumble? Did you think I'd lay  
down and die?

(Chorus)

Oh no, not I, I will survive  
Oh, as long as I know how to love, I know I'll  
stay alive  
I've got all my life to live, and I've got all my  
love to give  
And I'll survive, I will survive, hey, hey

(Bridge)

It took all the strength I had not to fall apart  
Kept trying hard to mend the pieces of my  
broken heart  
And I spent, oh, so many nights just feeling  
sorry for myself  
I used to cry, but now I hold my head up high

(Chorus)

And you see me somebody new  
I'm not that chained-up little person still in love  
with you  
And so you felt like dropping in, and just  
expect me to be free  
Now I'm saving all my lovin' for someone

who's lovin' me

(Chorus)

Oh no, not I, I will survive  
Oh, as long as I know how to love, I know I'll  
stay alive  
I've got all my life to live, and I've got all my  
love to give  
And I'll survive, I will survive, hey, hey
