

Auld Lang Syne

Should auld acquaintance be forgot
And never brought to mind?
Should auld acquaintance be forgot
And days of auld lang syne?

For auld lang syne, my dear
For auld lang syne
We'll take a cup o' kindness yet
For auld lang syne

And surely ye'll be your pint-stoup
And surely I'll be mine
And we'll tak' a cup o' kindness yet
For auld lang syne

For auld lang syne, my dear
For auld lang syne
We'll tak' a cup o' kindness yet
For auld lang syne
