

Stir It Up

(Verse 1)

Stir it up, little darlin', stir it up
Come on, baby, come on and stir it up, little
darlin', stir it up
Ooh

(Verse 2)

It's been a long, long time since I got you on
my mind
Oh-oh-oh-oh-oh
Now you are here, I say it's so clear
To see what we can do, baby, just me and you

(Chorus)

Come on and stir it up, little darlin', stir it up
Come on, baby, come on and stir it up, little
darlin', stir it up

(Verse 3)

I'll push the wood (stir it, stir it, stir it together)
Then I blaze your fire (stir it, stir it, stir it
together)
I'll satisfy your heart's desire (stir it, stir it, stir it
together)

(Verse 4)

Said, I stir it every (stir it, stir it, stir it together)
Oh, yeah (stir it, stir it, stir it together)
And I'll cook your supper (stir it, stir it, stir it
together)
And I'll fill you with love, yeah (stir it, stir it, stir
it together)

(Chorus)

Come on and stir it up, oh-oh-oh, little darlin',
stir it up
Come on, baby, come on and stir it up, little
darlin', stir it up

(Verse 5)

Mm, stir it, stir it, stir it together
Come on, baby, come on and stir it up, little
darlin', stir it up
Oh-oh-oh, little darlin', stir it up
Come on, baby, come on and stir it up, little
darlin', stir it up
