

Caledonia

I don't know if you can see
The changes that have come over me
In these last few days, I've been afraid
That I might drift away
So I've been telling old stories, singing songs
That make me think about where I came from
And that's the reason why I seem
So far away today

Oh, let me tell you that I love you
That I think about you all the time
Caledonia, you're calling me
Now I'm going home
And if I should become a stranger
You know that it would make me more than
sad
Caledonia's been everything
I've ever had

Now I have moved and I've kept on moving
Proved the points that I needed proving
Lost the friends that I needed losing
Found others on the way
I have kissed the fellas and left them crying
Stolen dreams, yes, there's no denying
I have traveled hard, sometimes with
conscience flying
Somewhere with the wind

Oh, let me tell you that I love you
That I think about you all the time
Caledonia, you're calling me
Now I'm going home
And if I should become a stranger
You know that it would make me more than
sad
Caledonia's been everything
I've ever had

Now I'm sitting here before the fire
The empty room, the forest choir
The flames have cooled, don't get any higher
They've withered, now they've gone
But I'm steady thinking, my way is clear
And I know what I will do tomorrow
When the hands have shaken and the kisses
flowed
Well, I will disappear

Oh, let me tell you that I love you

That I think about you all the time
Caledonia, you're calling me
Now I'm going home
And if I should become a stranger
You know that it would make me more than
sad
Caledonia's been everything
I've ever had
