See You Again

It's been a long day without you, my friend
And I'll tell you all about it when I see you
again
We've come a long way from where we began
Oh, I'll tell you all about it when I see you
again
When I see you again

Damn, who knew?
All the planes we flew, good things we been
through
That I'll be standing right here talking to you
'Bout another path, I know we loved to hit the
road and laugh
But something told me that it wouldn't last
Had to switch up, look at things different, see
the bigger picture
Those were the days, hard work forever pays
Now I see you in a better place (see you in a
better place)

How can we not talk about family when
family's all that we got?
Everything I went through you were standing
there by my side
And now you gon' be with me for the last ride

It's been a long day without you, my friend
And I'll tell you all about it when I see you
again
We've come a long way from where we began
Oh, I'll tell you all about it when I see you
again
When I see you again

First, you both go out your way
And the vibe is feeling strong, and what's small
turned to a friendship
A friendship turned to a bond, and that bond
will never be broken
The love will never get lost (and the love will
never get lost)
And when brotherhood come first, then the line
will never be crossed
Established it on our own when that line had to
be drawn
And that line is what we reached, so
remember me when I'm gone (remember me
when I'm gone)

How can we not talk about family when
family's all that we got?
Everything I went through you were standing
there by my side
And now you gon' be with me for the last ride

So let the light guide your way, yeah
Hold every memory as you go
And every road you take will always lead you
home, home

It's been a long day without you, my friend
And I'll tell you all about it when I see you
again
We've come a long way from where we began
Oh, I'll tell you all about it when I see you
again
When I see you again

When I see you again
See you again
When I see you again
