

## My Little Girl

Gotta hold on easy as I let you go  
Gonna tell you how much I love you, though  
you think you already know  
I remember I thought you looked like an angel  
wrapped in pink, so soft and warm  
You've had me wrapped around your finger  
since the day you were born

You're beautiful, baby, from the outside in  
Chase your dreams but always know the road  
that'll lead you home again  
Go on, take on this whole world  
But to me, you know you'll always be my little  
girl

When you were in trouble, that crooked little  
smile could melt my heart of stone  
Now look at you, I've turned around and  
you've almost grown  
Sometimes when you're asleep, I whisper "I  
love you" in the moonlight at your door  
As I walk away, I hear you say, "Daddy, love  
you more"

You're beautiful, baby, from the outside in  
Chase your dreams but always know the road  
that'll lead you home again  
Go on, take on this whole world  
But to me, you know you'll always be my little  
girl

Someday, some boy will come and ask me for  
your hand  
But I won't say yes to him unless I know, he's  
the half  
That makes you whole, he has a poet's soul,  
and the heart of a man's man  
I know he'll say that he's in love  
But between you and me, he won't be good  
enough

You're beautiful, baby, from the outside in  
Chase your dreams but always know the road  
that'll lead you home again  
Go on, take on this whole world  
But to me, you know you'll always be my little  
girl

[Spoken:]  
Somewhere between the make-believe and

the blue jean angel  
Between the tiny heartbeats, hidden beneath  
Barbie dolls and soccer balls  
Through kindergarten graduations and ballet  
recitals  
And the whispered "I love you's" at bedtime  
You've become my world

You're beautiful, baby, from the outside in  
Chase your dreams but always know the road  
that'll lead you home again  
Go on, take on this whole world  
But to me, you know you'll always be my little  
girl
