

## Father and Daughter

If you leap awake in the mirror of a bad dream  
And for a fraction of a second you can't  
remember where you are  
Just open your window and follow your  
memory upstream  
To the meadow in the mountain where we  
counted every falling star

I believe the light that shines on you will shine  
on you forever  
And though I can't guarantee there's nothing  
scary hiding under your bed  
I'm gonna stand guard like a postcard of a  
Golden Retriever  
And never leave 'til I leave you with a sweet  
dream in your head

Trust your intuition, it's just like goin' fishin'  
You cast your line and hope you get a bite  
But you don't need to waste your time worryin'  
about the market place  
Try to help the human race, strive for peace  
and grace, and dance the night away

Just do the best you can, and don't worry 'bout  
what the critics say  
You're gonna dance with the father, the  
mother, the spirit, and the son  
You're gonna dance with the father, the  
mother, the spirit, and the son  
You're gonna dance, dance, dance  
Dance, dance, dance, dance, dance, dance  
Dance, dance, dance, dance, dance, dance
