

If You Go Away

If you go away on this summer day
Then you might as well take the sun away
All the birds that flew in the summer sky
When our love was new and our hearts were
high
When the day was young and the night was
long
And the moon stood still for the nightbird's
song
If you go away, if you go away, if you go away

But if you stay, I'll make you a day
Like no day has been or will be again
We'll sail on the sun, we'll ride on the rain
We'll talk to the trees that worship the wind
And if you go, I'll understand
Leave me just enough love to fill up my hand
If you go away, if you go away, if you go away

If you go away, as I know you must
There'll be nothing left in the world to trust
Just an empty room, full of empty space
Like the empty look I see on your face
I'd have been the shadow of your dog
If I thought you might have kept me by your
side
If you go away, if you go away, if you go away

If you go away, please don't go away
