

Could It Be Magic

Spirits move me, every time I'm near you
Whirling like a cyclone in my mind
You're my life line, angel of my lifetime
Answer to all answers I can find

Baby, I want you, come, come, come into my
arms
Let me know the wonder of all of you
Baby, I want you, now, now, now and hold on
fast
Could this be the magic at last?

Baby, take me high upon a hillside
High up where the stallion meets the sun
I could love you, build my world around you
Never leave you till my life is done

Baby, I want you, come, come, come into my
arms
Let me know the wonder of all of you
Baby, I want you now, now, now and hold on
fast
Could this be the magic at last?

Baby, I want you, come, come, come into my
arms
Let me know the wonder of all of you, all of
you
Baby, I want you now, now, now, now and hold
on fast
Could this be the magic at last?
