

## Ready to Take a Chance Again

You remind me, I live in a shell  
Safe from the past and doing okay  
But not very well  
No jolts, no surprises  
No crisis arises  
My life goes along as it should  
It's all very nice, but not very good

And I'm ready to take a chance again  
Ready to put my love on the line with you  
Been living with nothing to show for it  
You get what you get when you go for it  
And I'm ready to take a chance again with you

When she left me in all my despair  
I just held on  
My hopes were all gone  
Then I found you there  
And I'm ready to take a chance again  
Ready to put my love on the line with you  
Been living with nothing to show for it  
You get what you get when you go for it  
And I'm ready to take a chance again

This time, I'll take it all the way  
I'm ready to take a chance again with you

So here I am, ready to learn  
Of the love we could make  
After waiting so long  
And I'm ready to take a chance again  
Ready to put my love on the line with you  
Been living with nothing to show for it  
You get what you get when you go for it  
And I'm ready to take a chance again

This time, I'll take it all the way  
I'm ready to take a chance again with you  
I'm ready to take a chance again with you
