

Somewhere in the Night

Time, you found time enough to love and I
found love enough to hold you
So tonight, I'll stir the fire you feel inside until
the flames of love enfold you
Layin' beside you, lost in the feeling
So glad you opened my door
Come with me, Somewhere in the night we will
know
Everything lovers can know
You're my song, music too magic to end
I'll play you over and over again
Lovin' so warm, movin' so right
Closing our eyes and feelin' alive
We'll just go on burnin' bright
Somewhere in the night
Mmm, mmm, mmm
Mmm, mmm, mmm
Love, like youth, is wasted on the young and I
was young, not long ago
We played the game of love with hearts that
had just come undone
But now they're gone, I don't wanna lose you
But I know that it's showtime, my love
You're my song, music too magic to end
I'll play you over and over again
Lovin' so warm, movin' so right
Closing our eyes and feelin' alive
We'll just go on burnin' bright
Somewhere in the night
Mmm, mmm, mmm
Mmm, mmm, mmm
You're my song, music too magic to end
I'll play you over and over again
Lovin' so warm, movin' so right
Closing our eyes and feelin' alive
We'll just go on burnin' bright
Somewhere in the night
Mmm, mmm, mmm
Mmm, mmm, mmm
