

My Forever Friend

Everybody needs a little help sometime
No one stands alone
Makes no difference if you're just a child like
me
Or a king upon a throne

For there are no exceptions
We all stand in the line
Everybody needs a friend
Let me tell you of mine

He's my forever friend
My leave-me-never friend
From darkest night to rainbow's end
He's my forever friend

Even when I turn away, he cares for me
His love no one can shake
Even as I walk away, he's by my side
With every breath I take

And sometimes I forget him
My halo fails to shine
Sometimes I'm not his friend
But he is always mine

He's my forever friend
My leave-me-never friend
From darkest night to rainbow's end
He's my forever friend

If you still don't know the one I'm talking of
I think it's time you knew
Long ago and far away upon a cross
My friend died for you

So if you'd like to meet him
And don't know what to do
Ask my friend into your heart
And he'll be your friend too

He's your forever friend
Your leave-you-never friend
From darkest night to rainbow's end
He's your forever friend
