

## Miss You Nights

I've had many times, I can tell you  
Times when innocence I'd trade for company  
And children saw me crying  
I thought I'd had my share of that  
But these miss you nights are the longest

Midnight diamonds stud my heaven  
Southward burning, lie the jewels that eye my  
place  
And the warm winds that embrace me  
Just as surely kissed your face  
Yet these miss you nights, they're the longest

How I miss you  
I'm not likely to tell  
I'm a man, and cold daylights  
Buy me time, and hope  
A few lean years and the inevitable decline  
Oh how I miss you  
Oh how I miss you, oh how I miss you

Midnight diamonds stud my heaven  
Southward burning, lie the jewels that eye my  
place  
And the warm winds that embrace me  
Just as surely kissed your face  
Yet these miss you nights, they're the longest
