

Power to All Our Friends

Power to all our friends, to the music that
never ends

To the people we want to be
Baby, power to you and me

Power to all our friends, to the love that never
ends

To the laughter and to the tears
Baby, power throughout the years

May our love shine bright and strong
May our lives go on and on
May our love shine bright and strong
May our lives go on and on

Power to all our friends, to the music that
never ends

To the people we want to be
Baby, power to you and me

May our love shine bright and strong
May our lives go on and on
May our love shine bright and strong
May our lives go on and on

Power to all our friends, to the love that never
ends

To the laughter and to the tears
Baby, power throughout the years

Power to all our friends, to the music that
never ends

To the people we want to be
