

## The Millennium Prayer

Our Father, who art in Heaven  
Hallowed be thy name  
Our Father, hear us from Heaven  
Forgive our sins we pray

Forgive our sins we pray  
Hear our song as it rises to Heaven  
May our light be a beacon to guide us  
A beacon of peace in the land

Lord, we pray  
Our Father, who art in Heaven  
Hallowed be thy name  
Our Father, hear us from Heaven  
Forgive our sins we pray

Forgive our sins we pray  
Hear our song as it rises to Heaven  
May our light be a beacon to guide us  
A beacon of peace in the land

Lord, we pray  
Our Father, who art in Heaven  
Hallowed be thy name  
Our Father, hear us from Heaven  
Forgive our sins we pray

Forgive our sins we pray  
Hear our song as it rises to Heaven  
May our light be a beacon to guide us  
A beacon of peace in the land

Lord, we pray
