

All of the Stars

It's just another night
And I'm staring at the moon
I saw a shooting star
And thought of you
I sang a lullaby
By the waterside and knew
If you were here,
I'd sing to you
You're on the other side
As the skyline splits in two
Miles away from seeing you
But I can see the stars from America
I wonder, do you see them, too?
So open your eyes and see
The way our horizons meet
And all of the lights will lead
Into the night with me
And I know these scars will bleed
But both of our hearts believe
All of these stars will guide us home
